Tecnopress Tiger One

[Rif.: #022]

The beach cleaner Tiger One Plus is a flexible and performing machine. Completely hydraulic handled (equipped with 3 hydraulic pumps), it provides a green petrol driven 13 hp Honda engine, electric starter (and recoil starter). This beach cleaner machine, stands out by the independent operation of its track-layings (2 monoblocks), by a monoblock services-activation panel with 4 handles with a double rear hydraulic PTO, by a battery master switch, a back towbar and a double quick-locking system (front one and back one to lock on the equipment). Size 115x315x110 cm. Weight 485 Kg.

Beach cleaner machine to be revised.
