Tuareg EvoMax

[Rif.: #005]

This beach cleaner is part of the new fleet that in the 2016 season we have used in our Seaside Tourist Center, or we have rented, or we have simply used for the demonstration tests that we do during the year for promotional purposes. This beach cleaner was used by us during the summer for some contract work. The beach cleaner excluded the normal signs of short use: it is practically new.

Included in the price we provide a pair of 20x20 mm hole grids, a pair of 10x10 mm hole grids and a safety bolt joint. This beach cleaning machine mod. We supply EvoMax with a one-year warranty.
