Tuareg EvoMax

[Rif.: #015]

This beach cleaner is part of the new car stock that we used in 2019 either in our beach club or rented out or even simply used as a demo during our promotional events. This one beach cleaner, particularly, was used a very few times, so much so that you can barely tell it is not brand new.

Tech sheet, pictures and video available on the website.

A pair of roughing grids (opening 20x20 cm), a pair of finishing grids (opening 10x10 cm), and the drive shaft with a security bolt are included in the price.

The beach cleaner model EvoPlus, comes with a 1 year guarantee.
